[Itinerary](#)

Day 1- Arrive Fayoum

Our representative will pick you up from your hotel in Cairo and transfer you to Fayoum Oasis in an air-conditioned vehicle (approximately an hour and a half drive).

You'll be able to visit some of Egypt's most beautiful and historic destinations, including the Seven Water Wheels and [Qarun Lake](#), both of which are considered some of the oldest and most significant lakes in the world.

After touring the Fayoum Museum, we'll continue on to the well-known novel exhibit.

Next, travel to the [Wadi Al Rayan](#) oasis in Egypt. There, you'll be able to take beautiful pictures while strolling or riding a felucca. After lunch, you'll be transported to your hotel in Fayoum. There, you can relax and spend the night.

Day 2 - Fayoum - Cairo

After a delicious breakfast, you'll start exploring two museums in Wadi El-Hitan. The first is about climate change, and the second is about fossilized whales. Later on in the day, you'll continue your journey to Al Mudawara, which is seven kilometers south of the falls. There, you'll have a beautiful view of three mountains surrounding a beautiful beach.

If you're interested in experiencing some of the best scenery in Fayoum, be sure to check out the stunning, magical lake. This amazing body of water is located close to Fayoum, and its changing colors are simply stunning. Not only is it a beautiful spot to relax and soak up the sun, but it's also a great place to enjoy some outdoor activities like hiking and [sandboarding](#). Some people even say that the lake may be helpful for people with rheumatism, so be sure to give it a try!

After our visit to Madame Evelyn's ceramics studio, we'll have the opportunity to dine in the [Tunis Village](#). There are various dining options available, if you'd like to take advantage of them.

then transfer you to your hotel in Cairo.

Is Egyptian food spicy?

Is Egyptian cuisine spicy? No. Egyptian food is always lightly spiced. Their main spice mixture called dukkah is a pounded mixture of spices (cumin and fennel seeds), herbs (coriander) and nuts (hazelnuts and almonds).
